

COLUMBIA CHARTER TOWNSHIP

8500 JEFFERSON RD
BROOKLYN, MI 49230

JUNE 27, 2023

Hello Neighbors,

As a taxpayer in Columbia Charter Township, we are seeking your input on several critical issues that will come before the Township Board in the near future. There are two pressing topics that we are asking every resident to provide feedback on. The feedback that we receive from residents will help shape the regulation and planning in our community for many years to come. Please take time to consider the following issues and then relay your opinion back to us;

1. Although the Township Board voted to prohibit the sale, distribution and processing of cannabis; Do you, as a property owner, believe that the Township should consider adopting appropriate regulations to allow for the commercial production, processing and sales of cannabis? If so, what locations within the township do you believe would be most appropriate for such businesses? Would you be opposed to locations adjacent to your property in agriculturally zoned areas?

2. While township officials recognize that county road conditions in the Township are getting worse with each passing day, are you supportive of the township researching the possibility of a road millage for Township residents in the future? This would mean that every resident would pay a portion of repairing County owned roads if a road millage were passed by a majority of residents.

We have included a short form with this letter, to provide answers to the above two questions. Forms can be mailed back to:

Columbia Charter Township
Attn: Supervisor Marsh
8500 Jefferson Road
Brooklyn, MI 49230

If you prefer to submit your responses via email, those emails can be sent to:
supervisor@twp.columbia.mi.us

We value your opinion and look forward to hearing from each and every resident in the Township!

Kind Regards,

Barry Marsh
Supervisor

P.S. If it's not too much to ask, we would also like your input on the Master Plan Survey for the township, which can be found on our website at
www.twp.columbia.mi.us/master-plan-survey/
